

# Parkside Community Association Holiday Art & Craft Show

We are now accepting applications for the Parkside Community Association's fourth annual Holiday Art & Craft Show. Proceeds from fees and admission go to support the programs of the Parkside Community Association.

Date: Saturday, November 26, 2010  
Time: 10:00 am – 5:00 pm  
Location: Church of the Good Shepherd, 96 Jewett Parkway.

## Vendor Information

The table fee for the Parkside Holiday Art & Craft Sale is \$75.00. As we did last year, we are giving shoppers two coupons with their \$2 admission, each good for \$1 off a purchase of \$10 or more. We will be advertising that the admission fee is “refundable with purchase.” We feel last year this both increased admission and encouraged buying by those attending. *Vendors must agree to honor these coupons.*

Space is limited. Participation is limited to original works of art and hand-crafted items; no imports or commercially produced items will be accepted. Selection of participants will be based on quality and diversity of work. Selection will be made from applications received by November 1<sup>st</sup> and only thereafter if space is still available. If you haven't participated in previous years, please include 3-4 pictures of your work, or a URL of a web site with photos of your work.

An eight-foot table will be provided. Wall space and electrical outlets are limited. We cannot guarantee availability. Please note your needs on your application. If you choose not to use a table, please give a description of your display with a photo, if available.

The Church of the Good Shepherd will be open on Friday, November 25, from 3:00-5:00 pm for set up and on Saturday at 8:00 am. Please enter through the door on Summit Avenue.

Vendors must have a NY State sales tax identification number and be responsible for collecting sales tax.

Please complete the application and return it to the PCA with your check for \$75 (refunded if application not accepted) made out to the Parkside Community Association; keep this sheet for your reference.
